Logue yo apendo en los 3 días de Kairos fue que medicuenta que Dios esta con migo y que adivio que me levante tengo que ofreser el día adios

I learned in the 3 days of Kairos that God is with me and everyday I wake up, I must rise and offer the day to God. Translated for Alejandro

To me it ment a new beginning. I can now move forward with my life as a follower of Jesus and truly walk in the light of God. My eyes have been opened along with my heart. Andrew

My main reason to come last weekend was the food. I didn't have any idea at the time how much more my heart and soul would be filled than my stomach. I had forgotton that there were actually people in the world willing to reach out to someone like me and expect nothing in return. I'll never be able to repay what I received but I intend to try to pass it on. Brock

I thought it was good for me because it made me have a differt out look on life and other people and not judge every body. I also met realy good friends and sponsors. Butch

I was moved to see people of different backgrounds and race come together in unity and understand each other in the name of GOD. Chris

I enjoyed the program learned a lot and met some great people. Thank you. Chris

It helped to give me the strength to stand up and voice that I believe that the Lord Jesus Christ is the Son of God and I believe! There has been times all during the week I wanted to jump up and down and shout that I loved the Lord. I felt alive again and He showed me last weekend I was loved and not alone. Praise God. Thank you. Curtis

Godspeed and God bless ya'll. DM

This past week has been very life changing for me. I've learned how to break down my social wall, and forgive others for hurting me. I've made new friends this past week, and let me tell you these are the most excited group of older guys I've ever been around. I'm 25 years old and I hope when I get these guys age I will be able to sing and praise the lord with such emotion. Shots out to Phil "Philly Phil" Lorenez! David

What was special to me was the Agape Love that was shown to each & every man no matter race, age, crime or religion. Kairos is truly a special time. Douglas

I got Agape love from the hearts of Godly men who came to fellowship with me in one spirit. I'm taking love, joy and peace from Kairos. As well as the nature of a servant to serve all in their time of need. Gerard

I thought the 4 day Kairos weekend was a very moving and learning experience full of knowledge. This should be experienced by one and all. JM

A feeling of love and self worth like I've never had before and I know now that Jesus is REAL. It was truly a LIFE changing experience. Jeremy

I really enjoyed the 4 day weekend event. It was a great experience in many ways. I learned a lot about myself and other's. I think this is a good positive event. I appreciate everyone that is involved in Kairos. God bless everyone. Jerrod

Yo aprendi que dios es amor y que si todos nuestros problemas los ponemos a cargo de Jesus El los resuelve todos siempre Y cuando creamos en el de Toda Corazon. Amen.
I understand that God is love and that if we give all our problems we carry to Jesus, he will solve all of our problems as long as we are all in His heart. Amen. Translated for Jesus

Kairos is an eye opening experience to fellowship. No matter what spiritual experience you experience, nothing compares to Kairos. I'm sure there are other names for these events, but to me, the meaning of Kairos is special, to time spent with God. To listen listen, of love love is real and may you continue to be blessed in great abundance. John

I loved this weekend experience. I think it would be better if inmates could use the talents God has blessed them with, but over all I loved this weekend. Mathyis

I am very grateful for the opportunity to attend Kairos #20. It has enlightened me and lifted my spirits. I was able to leave all pretense at the door, let down my guard and really enjoy the people around me. Since the experience I have been inspired and motivated to reach out to my family and friends on the outside and attempt to better our relations and to try and give the people inside hope and compassion. P.S. Bring back the family photos ;-)

The Kairos weekend for me, made me realize that God is greater and bigger than any problem I'm going through. Truly he is the Solver, the Grand Solution. But we must be resurrected through Christ Jesus. Amen. Norm

Kairos to me is truly exactly what the word means. Gods special time, that's what last weekend was for me a special time with and for me and God and some of his family. Paul

Kairos is an experience that everyone and anyone seeking Christ should try. The ministry is very uplifting for everyone involved and the outcome is a positive feeling about yourself and others. I'd invite and challenge anyone to experience the Experience and become a believer in the Christ and the Father. Be Freed by Faith! May God bless you and keep you safe eternally.
Yours in Christ! Samm

"I felt very good" getting to know God and what he does for me. Sergio

The 4 day Kairos weekend I attended woke up in me the love of Christ which I had allowed to fade. The time I spent there allowed me to see God's love through his people and has encouraged me to seek God's will for my life and become a servant for Christ. Terry

I got a spiritual jumpstart, my spirit was recharged. Sharing was stressed to me, sharing time, love, joy, scripture, peace. It's opened my eyes to think about the body of Christ and not just myself. Torrey

I'm glad I came to Kairos. I got a chance to meet a lot of people with BIG hearts who listened to my feelings. They helped me more in my walk. I would like to keep in touch with my group family sponsor. Willie
